

The background is a soft, painterly landscape. On the left, two tall, slender cypress trees stand vertically. A dirt path winds through a field of golden-brown grass towards a cluster of trees in the distance. A bright sunburst graphic, composed of several long, curved rays, is positioned in the upper right quadrant, partially overlapping the text. The overall color palette is warm, dominated by yellows, oranges, and greens.

## Our Company

In just three short years, Sun Dance Group has evolved into one of the leading international art publishers, combining two familiar product lines, Sun Dance Graphics and NorthWest Publishing into one diverse collection of fine art and poster prints for the retail market.

Sun Dance  
g r a p h i c s

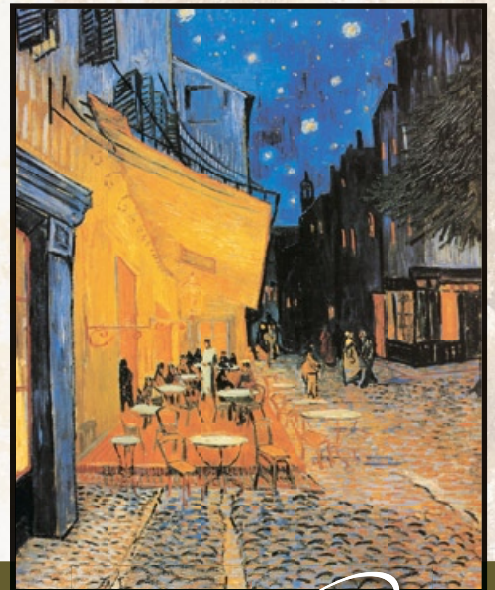

Sun Dance Graphics offers a collection over 700 trend-conscious designer art prints from some of the world's top artists. All of Sun Dance Graphics' art prints are on heavy 100lb cover paper and are printed in-house on our 6-color offset press. We achieve exceptional reproduction color and quality from the original work through our photography and scanning studio and state of the art proofing and printing technology.

NorthWest Publishing features over 1,250 works of classic, contemporary, traditional, photographic, and ethnic fine art. Our quality reproductions combined with the use of 100lb text poster paper enable us to deliver incredible value to our customers.

In addition to our focus on offering prints in standard frame sizes (such as 8 x 10, 16 x 20 and 22 x 28), our in-house pre-press and printing capabilities enable us to provide rapid turnaround and attractive pricing for custom print runs.

We have recently added capabilities at Sun Dance to offer limited and open edition 7-color Gicleé prints on canvas and archival fine art papers.

Our goal is to continue to evolve our product line to stay right on the leading edge of décor and contemporary design.
